## CONTEMPORARY COUNTRY HOME

### **SORBET**

Debbie Gent has just set up shop online to sell the contemporary country look with white-heart glazed ceramic bowls, plates and mugs; coloured glass tumblers and wirework baskets (from £9). Wallpapers are there, too, in traditional pale, chalky shades from Connell De La Mare (£35 per roll).

Gent, based at Petworth, in the South Downs, also does B&B from £35 per person a night (see [www.sorbet.uk.com](http://www.sorbet.uk.com)).
